Short Description
Commercial Glass Swing 3-Door Merchandiser Refrigerator

Description
Designed perfectly to showcase and display frozen merchandise, the **Dukers DSM-69F** three-glass door merchandiser freezer maintains products at ice-cold temperatures while offering a stylish and durable enclosure for your business needs. Super bright LED lighting and a backlit marquee keep your products brightly illuminated and easily visible from any location. With a range of 0°F to -8°F, it freezes and safely stores all types of food. Digital temperature controls and an LED display let you precisely select the desired temperature. A bottom-mounted dual 3/4 HP compressor ensures energy-efficient performance and better heat evaporation. Includes 12 adjustable and removable coated stainless steel shelves to accommodate products of various sizes.
