Product Code: DUKERS DHBC36
Availability: In Stock
Weight: 185.00lb
Dimensions: 36.00in x 28.00in x 41.00in

Price: $1,422.00

Short Description
36"Bottle Cooler

Description
The Dukers DHBC36 is a reliable 36" bottle cooler designed for efficient beverage chilling in any setting. With a spacious 7.875 cu. ft. capacity and lockable sliding stainless steel lids, it offers ample storage while ensuring security. Its self-contained refrigeration system, along with a mechanical controller and ventilated cooling system, guarantees precise temperature control between 33°F to 41°F, ideal for keeping beverages refreshingly cold. Equipped with standard bottle opener and cap catcher for added convenience, it boasts features like automatic defrosting and a stainless steel exterior and interior for easy maintenance and durability. Using R290 Hydrocarbon refrigerant, and powered by a 1/5 HP motor, this cooler is energy-efficient and environmentally friendly. With cETLus and ETL-Sanitation certifications, it ensures both safety and sanitation standards are met, making it a dependable choice for any beverage service establishment.
