

DUKERS DHBC65

Brand: DUKERS

Product Code: DUKERS DHBC65

Availability: In Stock

Weight: 250.00lb

Dimensions: 65.00in x 28.00in x 41.00in

Price: \$2,139.00

Short Description

65" Bottle Cooler

Description

The Dukers DHBC60 is a spacious 65" bottle cooler designed to efficiently chill beverages in various environments. With a generous 15.83 cu. ft. capacity and lockable sliding stainless steel lids, it provides ample storage while ensuring security. Its self-contained refrigeration system, coupled with a mechanical controller and ventilated cooling system, guarantees precise temperature control between 33°F to 41°F, ensuring beverages stay consistently cold. Equipped with a standard bottle opener and cap catcher for added convenience, it also features automatic defrosting and a durable stainless steel exterior and interior for easy maintenance. Using environmentally friendly R290 Hydrocarbon refrigerant and powered by a 1/5 HP motor, this cooler offers energy efficiency and reliable performance. With cETLus and ETL-Sanitation certifications, it meets stringent safety and sanitation standards, making it an ideal choice for beverage service establishments seeking quality and reliability.
