Product Code: DUKERS DCGMA12
Availability: In Stock
Weight: 165.00lb
Dimensions: 12.00in x 30.00in x 15.25in

Price: $797.00

Short Description
12" Thermostatic Griddle with 1 Burner

Description
The Dukers DCGMA12 12-inch W Griddle with 1 Burner is a compact yet powerful cooking appliance designed for commercial kitchen applications. With a single burner delivering 29,000 BTU/H, this griddle ensures efficient heat distribution and consistent cooking performance. It is compatible with both Natural Gas (NG) and Propane, offering versatility in installation. The work area measures 11.85" x 20.50", providing sufficient space for cooking a variety of foods. Constructed with a durable stainless steel exterior and interior, this griddle is built to withstand heavy use and is easy to clean. It features independent manual controls and adjustable stainless steel legs, providing operators with precise control and stability during operation. Each unit comes with a heavy-duty 1-inch thick polished steel griddle plate and a full-length seamless drip pan, making maintenance hassle-free. Additionally, it is backed by a 1-year parts and labor warranty, ensuring reliability and customer satisfaction.
