Short Description
60" Griddle with 5 Burners

Description
The Dukers DCGM60 60-inch W Griddle with 5 Burners is a professional-grade cooking appliance suitable for high-volume commercial kitchens. With five powerful burners providing a combined output of 150,000 BTU/H, this griddle ensures efficient heat distribution for consistent cooking results. It is compatible with both Natural Gas (NG) and Propane, offering flexibility in installation. The spacious work area, measuring 59.8" x 20.50", provides ample room for preparing large quantities of food, catering to high-demand environments. Constructed with a durable stainless steel exterior and interior, it is built to withstand rigorous use and is easy to clean. Featuring independent manual controls and adjustable stainless steel legs, operators have precise control and stability during operation. Each unit includes a heavy-duty 3/4” thick polished steel griddle plate and a full-length seamless drip pan, facilitating effortless maintenance. Additionally, it comes with a 1-year parts and labor warranty, ensuring reliability and peace of mind for users.
