Price: \$2,322.00

Short Description

60" Thermostatic Griddle with 5 Burners

Description

The Dukers DCGMA60 is a 60-inch W Griddle equipped with five burners, ideal for professional kitchen environments. Its stainless steel construction ensures durability and easy cleaning, both inside and out. With each burner generating 30,000 BTU/H and a combined output of 150,000 BTU/H, it delivers powerful and efficient cooking performance. Featuring independent manual controls every 12 inches, chefs can precisely adjust temperatures as needed. The griddle comes with adjustable stainless steel legs for stability and flexibility in setup. It is shipped with both Standard Natural Gas and LP conversion kit options, accommodating different gas sources. The heavy-duty 1-inch thick polished steel griddle plate and full-length seamless drip pan make maintenance effortless. Backed by a 1-year parts and labor warranty, the DCGMA60 ensures reliability and quality in commercial kitchen settings.
