Description
The Dukers DDM60R is an impressive refrigerated cake showcase meticulously crafted to exhibit your delectable creations while preserving their quality. With two shelves providing three levels of display space, it offers ample room to showcase your assortment of cakes. Its temperature range of 33°F to 41°F ensures optimal storage conditions, supported by automatic defrost and the environmentally friendly R290 refrigerant. Constructed with a stainless steel interior and exterior finished in sleek black, and adorned with straight and side glasses, this showcase not only enhances visibility but also adds a touch of elegance to any space. Featuring LED lighting both inside and on the canopy, a digital temperature display for easy monitoring, and a NEMA 5-20P plug for straightforward installation, it combines functionality with sophistication, making it an ideal choice for elevating your dessert presentation.
