Short Description
36" Curved Glass Display Case

Description
The Dukers DDM36R-CB is a sophisticated refrigerated cake showcase designed to elegantly display your assortment of confections while maintaining their freshness. Featuring three shelves providing four levels of display space, it offers ample room for showcasing a variety of cakes. With a temperature range of 33°F to 41°F, it ensures optimal storage conditions, supported by automatic defrost and the use of eco-friendly R290 refrigerant. Crafted with a stainless steel interior and exterior finished in sleek black, and adorned with a combination of straight and side glasses, this showcase not only enhances visibility but also adds a touch of modernity to any space. Equipped with LED lighting both inside and on the canopy, a digital temperature display for easy monitoring, and a NEMA 5-20P plug for straightforward installation, it seamlessly combines functionality with aesthetics, making it an ideal choice for elevating your dessert presentation.
