Short Description
72" Curved Glass Display Case

Description
The Dukers DDM72R-CB is an impressive refrigerated cake showcase meticulously crafted to exhibit your array of confections while ensuring their freshness. Featuring three shelves providing four levels of display space, it offers ample room for showcasing a diverse range of cakes. With a temperature range of 33°F to 41°F, it ensures optimal storage conditions, supported by automatic defrost and the use of eco-friendly R290 refrigerant. Constructed with a stainless steel interior and exterior finished in sleek black, and adorned with straight and side glasses, this showcase not only enhances visibility but also adds a touch of sophistication to any environment. Equipped with LED lighting both inside and on the canopy, a digital temperature display for easy monitoring, and a NEMA 5-20P plug for effortless installation, it seamlessly combines functionality with aesthetics, making it the perfect choice for elevating your dessert presentation.
