

DUKERS DIM150

Brand: DUKERS
Product Code: DUKERS DIM150
Availability: 1000
Weight: 176.37lb
Dimensions: 25.60in x 22.00in x 35.30in

Price: \$2,348.00

Short Description

156 lbs. Per Day Ice Machine with 40 lbs. Storage Bin

Description

The **Dukers DIM150** commercial ice machine delivers crystal-clear, full-size cube ice in a compact, durable unit ideal for restaurants, bars, coffee shops, and beverage stations. Designed with a vertical evaporator and eco-friendly R290 refrigerant, the DIM150 provides efficient performance even under peak conditions with ambient temperatures up to 110°F.

Its intelligent control system automates ice making and release, while the built-in fault alarm keeps your operation running smoothly. A fully antimicrobial plastic liner and removable parts, including the water trough and air filter, simplify cleaning and maintenance.

Perfect for smaller spaces, this machine features a built-in 40 lb storage bin to keep ice ready for service.

Key Features:

- Compact commercial ice machine with integrated 40 lb bin
- Produces 156 lbs of ice per day (70°F air / 50°F water)
- Full-size cube ice: 7/8" x 7/8" x 7/8"
- Intelligent control system with automated ice making and fault alerts
- All-plastic interior with 100% antimicrobial liner for superior sanitation
- Easy-to-remove air filter, water trough, and distribution tube for quick cleaning
- Operates efficiently even at ambient temperatures up to 110°F
- Energy-efficient R290 refrigerant with low environmental impact
- Simple plug-in installation with NEMA 5-15P plug
- 2-Year Parts & Labor, 5-Year Compressor Warranty
