

DUKERS DIM500A

Brand: DUKERS
Product Code: DUKERS DIM500A
Availability: 1000
Weight: 121.70lb
Dimensions: 34.80in x 22.00in x 71.20in

Price: \$4,378.00

Short Description

496 lbs. Per Day Ice Machine with 352 lbs. Storage Bin

Description

The **Dukers DIM500A** commercial ice machine is engineered for medium- to high-volume operations, delivering a consistent supply of crystal-clear ice cubes. With a daily production capacity of 496 lbs, this unit is perfect for hotels, restaurants, coffee shops, and other busy beverage stations.

The DIM500A combines a heavy-duty vertical evaporator with eco-friendly R290 refrigerant to maximize performance and energy efficiency. Its intelligent control system automates ice production and release while alerting staff to any operational issues through the integrated fault alarm.

Designed for easy maintenance, the machine includes a removable air filter, water trough, and distribution tube. The antimicrobial liner and

self-cleaning mode ensure superior sanitation with minimal effort.

Key Features:

- Produces up to 496 lbs of ice per day (70°F air / 50°F water)
- Integrated 352 lb storage bin keeps ice ready for service
- Full-size cube ice: 7/8" x 7/8" x 7/8"
- Intelligent control system with automated ice making and fault alerts
- Energy-efficient R290 refrigerant with low environmental impact
- Antimicrobial plastic liner for safe, hygienic storage
- Operates efficiently in ambient temperatures up to 110°F
- Removable interior components for simple cleaning and maintenance
- Standard NEMA 5-15P plug for quick setup
- 2-Year Parts & Labor, 5-Year Compressor Warranty
