Short Description
Atosa ATMG-24 24” Manual Gas Griddle – Built for Performance in Any Commercial Kitchen

Take your cooking game to the next level with the Atosa ATMG-24 Heavy Duty 24-inch Manual Gas Griddle — the ideal solution for restaurants, diners, food trucks, and commercial kitchens in need of power, precision, and durability. Featuring two independently controlled burners, this griddle offers maximum versatility, letting you cook different foods at different temperatures simultaneously — whether it’s bacon and eggs for breakfast or burgers and quesadillas during the lunch rush.

Description

Standard Features:

• Stainless steel exterior and interior
• Stainless steel grease drawer
• Heavy-duty 3/4” thick polished steel griddle plate
• 30,000 BTU burners per 12” section with standby pilots
• Independent manual controls for each 12” section
• Stainless steel legs are standard
• 3/4” NPT rear gas connection and regulator standard

Engineered with a heavy-duty stainless steel construction inside and out, this unit is built to withstand daily high-volume cooking while resisting rust and corrosion over time. The 3/4-inch thick polished steel griddle plate delivers exceptional heat retention and even distribution, helping eliminate cold spots and reduce cook times. A convenient standby pilot light ensures instant ignition, while the compact design and short splash guards make cleanup a breeze.

With adjustable stainless steel legs for enhanced stability on any surface, the Atosa ATMG-24 is a workhorse griddle that fits seamlessly into any commercial setup.

Key Features:

- 24” wide cooking surface with dual manual controls
- Durable stainless steel body for long-term use
- Even heat distribution across the griddle plate
- Pilot light for instant startup
- Easy-to-clean design with short rear and side walls
- Adjustable legs for leveling on any countertop
