Short Description

Black Full Length 27" One Section Refrigerated Merchandiser with LED Interior Lighting - 115V

Description

The True FLM-27~TSL01 is a 27" wide full length refrigerated merchandiser with a black powder coated cold rolled steel exterior. This refrigerator features a double pane thermal insulated glass swing door with black powder coated frames. The door reaches all the way to the top of the cabinet, maximizing product visibility and storage space. The safety shielded LED interior lighting provides for additional lighting throughout the cabinet.

The FLM-27~TSL01 is an electric model that runs on 115 Volts, 60 Hertz, 1 Phase, and 2.3 Amps for 1/4 HP, and comes with a power cord that measures 9', and includes a NEMA 5-15P plug.
