**Price: \$1,140.00**

## Short Description

Stock Pot Range With 4 Burners and a Combined 160,000 BTUs

## Description

The Dukers DCSPA2 Stock Pot Range is a robust and versatile cooking solution designed for commercial kitchens. Featuring four heavy-duty cast iron three-ring burners, each delivering 40,000 BTU/H for a combined power of 160,000 BTU/H, this range offers high-performance cooking capabilities. With stainless steel sides, a front valve cover, and legs, it ensures durability and easy maintenance. The range comes equipped with stainless steel tubing for pilots, 3/4" NPT rear gas connection and regulator, and heavy-duty cast iron top grates. Each burner is complemented by two continuous pilots for efficient ignition, and two manual controls allow for independent operation of the inner and outer rings. The cooking area measures 18" x 49 1/4", providing ample space for large pots and pans, while the product dimensions of 18" x 41" x 22 4/5" make it suitable for various kitchen layouts. Additionally, it includes a full-length seamless drip pan for hassle-free cleanup and is backed by a 1-year parts and labor warranty.

## Product Features
