Short Description
28" Single Door Commercial Bottom Mount Refrigerator in Stainless Steel

Description
The **Dukers D28R** reach-in commercial refrigerator is designed to suit the needs of any business who needs optimal performance without sacrificing design. A single door is accented with high-quality brushed stainless steel for both the interior and exterior to fit a variety of decors. Recessed door handles allow for clean styling and better ergonomics. Door is reversible. The heavy-duty 1/5 HP compressor is bottom mounted for excellent efficiency and better cooling. Digital controls fine-tune the desired interior temperature. Self-closing doors free up your hands for added convenience and ease of use. Auto-defrosting provides lower energy costs and colder temperatures. Four shelves can be adjusted or removed for flexibility and maintenance. Easily move and position with four swivel casters.
