Short Description
28" Single Door Bottom Mount Glass Door Commerical Reach-in Refrigerator

Description
The **Dukers D28R-GS1** reach-in commercial refrigerator features a tempered glass door and 4 easy swivel casters. A single door is accented with high-quality brushed stainless steel for both the interior and exterior to fit a variety of decors. Recessed door handles allow for clean styling and better ergonomics. The heavy-duty compressor is bottom mounted for excellent efficiency and better cooling. Digital controls fine-tune the desired interior temperature. Self-closing doors free up your hands for added convenience and ease of use. Auto-defrosting provides lower energy costs and colder temperatures. Four shelves can be adjusted or removed for flexibility and maintenance. Easily move and position with four swivel casters.
