Short Description

48" Thermostatic Griddle with 4 Burners

Description

The Dukers DCGMA48 is a 48-inch W Griddle equipped with four burners, designed for professional kitchens. Its stainless steel exterior and interior ensure durability and easy maintenance. With each burner delivering 30,000 BTU/H and a combined power of 120,000 BTU/H, it offers efficient cooking performance. The griddle features independent manual controls every 12 inches for precise temperature adjustments, along with adjustable stainless steel legs for stability. Shipped with both Standard Natural Gas and LP conversion kit options, it accommodates different gas sources. Featuring a heavy-duty 1-inch thick polished steel griddle plate and a full-length seamless drip pan, cleaning is made effortless. Backed by a 1-year parts and labor warranty, the DCGMA48 guarantees reliability and performance in commercial kitchen settings.
