## Short Description

24" Thermostatic Griddle with 2 Burners

## Description

The Dukers DCGMA24 24-inch W Griddle with 2 Burners offers a versatile cooking solution for commercial kitchens, boasting a durable stainless steel exterior and interior construction. Each of its two burners delivers 30,000 BTU/H, ensuring efficient heat distribution across the 23.83" x 24.02" work area. With independent manual controls every 12 inches and adjustable stainless steel legs, operators have precise control and stability during use. Shipped with a Standard Natural Gas and LP conversion kit, this griddle accommodates various gas sources. Its heavy-duty 1-inch thick polished steel griddle plate and full-length seamless drip pan facilitate easy cleaning. Backed by a 1-year parts and labor warranty, this griddle guarantees reliability and performance in commercial cooking environments.
