Short Description
48" Griddle with 4 Burners

Description
The Dukers DCGM48 48-inch W Griddle with 4 Burners is a professional-grade cooking appliance designed for high-performance cooking in commercial kitchens. With four powerful burners delivering a combined output of 120,000 BTU/H, this griddle ensures efficient and even heat distribution for consistent results. It is compatible with both Natural Gas (NG) and Propane, offering versatility in installation. The generous work area, measuring 47.86" x 20.50", provides ample space for preparing large quantities of food, making it suitable for high-volume cooking environments. Constructed with a robust stainless steel exterior and interior, it ensures durability and easy cleaning. Featuring independent manual controls and adjustable stainless steel legs, operators have precise control and stability during use. Each unit comes with a heavy-duty 3/4” thick polished steel griddle plate and a full-length seamless drip pan, facilitating effortless maintenance. Additionally, it includes a 1-year parts and labor warranty, providing assurance of quality and reliability.
