Short Description
36" Griddle with 3 Burners

Description
The Dukers DCGM36 36-inch W Griddle with 3 Burners offers exceptional cooking versatility and efficiency for commercial kitchens. With three powerful burners producing a combined output of 90,000 BTU/H, this griddle ensures rapid and even heating for consistent results. It is compatible with both Natural Gas (NG) and Propane, with gas pressures of 4” WC for NG and 10” WC for Propane, providing flexibility in installation. The spacious work area, measuring 35.86" x 20.50", accommodates large batches of food, ideal for high-volume cooking environments. Constructed with a durable stainless steel exterior and interior, it guarantees durability and easy maintenance. Featuring independent manual controls and adjustable stainless steel legs, it offers precise control and stability during operation. Each griddle comes with a heavy-duty 3/4” thick polished steel griddle plate and a full-length seamless drip pan, ensuring hassle-free cleaning. Additionally, it includes a 1-year parts and labor warranty, ensuring reliability and customer satisfaction.
