

DUKERS DCF5-NG

Brand: DUKERS

Product Code: DUKERS DCF5-NG

Availability: In Stock

Weight: 220.46lb

Dimensions: 21.00in x 32.88in x 45.00in

Price: \$1,683.00

Short Description

70 lb. Natural Gas Fryer

Description

The Dukers DCF5-NG Natural Gas Fryer with 5 Tube Burners is a powerful and efficient frying solution designed for commercial kitchens. Featuring five tube-style burners, each delivering 30,000 BTU/H for a combined output of 150,000 BTU/H, it ensures rapid and consistent heat distribution. Operating on Natural Gas (NG) with a gas pressure of 4" WC, it provides reliable performance. With a spacious work area measuring 19.49" x 13.98" and a nozzle size of 39#, it accommodates various frying needs. Equipped with a durable temperature probe and Millivolt safety control system, it ensures precise temperature control and enhanced safety. Its design facilitates easy cleaning, allowing every inch of the frypot and cold zone to be cleaned manually, while the large cold zone and forward-sloping bottom effectively collect and remove sediment to maintain oil quality. Backed by a 1-year parts and labor warranty, along with a 5-year warranty on the oil tank, this fryer guarantees durability and reliability for commercial kitchen operations.

Product Features

- Five, highly efficient tube red, cast iron burners create a large heat-transfer area for reliable, even heat distribution. Our durable temperature probe senses temperature changes and activates a quick burner response.
- The temperature for the DCF5-LPG/DCF5-NG ranges from 200°F (93°C) to 400°F (204°C). Includes Millivolt safety control system.
- Every inch of the frypot and cold zone can be cleaned and wiped down by hand.
- The large cold zone and forward sloping bottom help collect and remove sediment

from the frypot to safeguard oil quality and support routine frypot cleaning.

- 1 Year Parts and Labor Warranty, 5 Year Warranty on Oil Tank

Technical Specifications

- GAS SOURCE: Natural Gas (NG)
- BURNER: 5 count
- SINGLE BURNER: 30000 BTU/H
- COMBINED: 150000 BTU/H
- GAS PRESSURE: 4" WC
- WORK AREA: 19.49" x 13.98"
- NOZZLE: 39#
- OIL TANK CAPACITY: 70lbs
