Short Description
36" Chef Base Refrigerator with 2 Drawers

Description
The Dukers DCB36-D2 Chef Base Refrigerator with 2 Drawers is a reliable refrigeration solution designed specifically for commercial kitchens. Featuring two drawers and dimensions of 36" x 32 1/4" x 26 5/8", it provides ample storage space while fitting seamlessly into kitchen layouts. With a temperature range of 33~38°F and automatic defrost, it ensures optimal food preservation and minimal maintenance. Its stainless steel interior and exterior, along with rounded corners for easy cleaning, meet sanitation standards and guarantee durability. Equipped with digital temperature control and foamed-in-place insulation, it offers precise temperature management and structural integrity. The heavy-duty 4" casters with brakes provide convenient mobility for cleaning and servicing. With ergonomic recess door handles and removable drawer gaskets for easy maintenance, this chef base refrigerator is a reliable choice for commercial kitchens, backed by a warranty for commercial use.

Product Features

- Digital temperature control features a digital display to make monitoring interior temperatures a breeze. This unit also comes with an auto-defrost function
- Foamed-in-place insulation keeps the interior cold and adds structural strength
- Optional raised corner guards designed to prevent cookware equipment from sliding off the edges of the surface.

- Stainless steel interior with rounded corners for easy cleaning. Meets and exceeds sanitation standards.
- Durable and high weight bearing rails for drawers.
- Heavy-duty 4" casters with brakes are included providing the unit with convenient mobility, making cleaning and servicing a breeze! Just roll the unit away from the wall.
- Ergonomic and modern recess door handles.
- Removable Drawer Gaskets, each drawer gasket is removable for easy cleaning and maintenance.
- Warranty for commercial use only. No warranty for residential use.
