Short Description

48" Chef Base Refrigerator with 2 Drawers

Description

The Dukers DCB48-D2 Chef Base Refrigerator with 2 Drawers is a robust refrigeration solution tailored for commercial kitchen environments. With two drawers and dimensions of 48" x 32 1/4" x 26 5/8", it offers ample storage space while seamlessly integrating into kitchen layouts. Its temperature range of 33~38°F, automatic defrost, and digital temperature control ensure precise temperature management for optimal food preservation. Constructed with stainless steel interior and exterior, along with rounded corners for easy cleaning and sanitation compliance, it prioritizes durability and hygiene. Featuring foamed-in-place insulation for structural strength and heavy-duty 4" casters with brakes for convenient mobility, cleaning, and servicing, it provides both functionality and convenience. Ergonomic recess door handles and removable drawer gaskets further enhance ease of use and maintenance. Backed by a warranty for commercial use, this chef base refrigerator is a reliable choice for commercial kitchens seeking performance and longevity.

Product Features

- Digital temperature control features a digital display to make monitoring interior temperatures a breeze. This unit also comes with an auto-defrost function
