Short Description

60" Chef Base Refrigerator with 2 Drawers

Description

The DCB52-60-D2 Chef Base Refrigerator with 2 Drawers is a robust refrigeration solution designed exclusively for commercial kitchen applications. Featuring two drawers and measuring 60" x 32 1/4" x 26 5/8" in dimensions, it offers ample storage space while seamlessly fitting into kitchen layouts. With a temperature range of 33~38°F and automatic defrost, it ensures precise temperature control for optimal food preservation. Constructed with stainless steel interior and exterior, along with rounded corners for easy cleaning and sanitation compliance, it prioritizes durability and hygiene. Equipped with digital temperature control and foamed-in-place insulation for added structural strength, it offers both functionality and reliability. The heavy-duty 4" casters with brakes provide convenient mobility for cleaning and servicing. Featuring ergonomic recess door handles and removable drawer gaskets, it enhances ease of use and maintenance. Supported by a warranty for commercial use, this chef base refrigerator is a dependable choice for commercial kitchens seeking performance and longevity.
