Short Description

Dukers D83R-GS3 Bottom Mount Glass 3-Door Commercial Reach-in Refrigerator

Description

The **Dukers D83R-GS3** reach-in refrigerator is designed to suit the needs of any business who needs optimal performance without sacrificing design. Its' three tempered glass doors are accented with high-quality brushed stainless steel for both the interior and exterior to fit a variety of decors. Recessed door handles allow for clean styling and better ergonomics. The heavy-duty compressor is bottom mounted for excellent efficiency and better cooling. Digital controls fine-tune the desired interior temperature. Self-closing doors free up your hands for added convenience and ease of use. Auto-defrosting provides lower energy costs and colder temperatures. The included 12 shelves can be adjusted or removed for flexibility and maintenance. Easily move and position with six swivel casters.
