Price: \$3,499.00

Short Description

BRAND NEW TURBO FAN CONVECTION OVEN E32D5

Description

RETAILS IN BOX FOR \$5,350! HEAVY DISCOUNT!

The Moffat E32D5 full-size convection oven holds five sheet pans on removable, stainless steel slides. Made of porcelain, the interior is easy to clean, and its welded construction adds strength. Operators can monitor the interior through the dual-pane door window, and oven lamps create product visibility.

Simple to control, the temperature is adjustable with an electronic thermostat, and the time can be set on the digital timer. The timer alarm volume is adjustable to suit the amount of noise in different

environments. This unit cooks in manual or programmable modes with five levels of moisture injection. Stainless steel legs elevate the Moffat E32D5 electric convection oven off the counter, enabling users to easily clean underneath it.

Product Details
